< For Audiences >

○Participation process :

During the event, we will ask you to select your favorite photo by zoom voting system.

< For Photo Presenters >

○ About Photo Presentation and Contest :

Photo Presentation: Please show and present your photo in about 5 minutes. (2min for photo explanation, 3min for Questions and answers). All the zoom operation will be made by Tokyo Tech staff. All the photos from presenters will be shown on zoom using screen sharing. We will distribute the short explanation of your photo to all participants of the contest.

Contest: We will use Voting function of zoom to select each winner of the following awards. Award certificate (PDF) will be given to each winner!:

Best photograph award, Great technical award, Best unique award, Best presenter award, etc.

○Theme of Photos :

Please select one theme below and submit a photo by Google Form when you apply. Photos taken in the past are also acceptable.

1) Life in Japan

2) Hometown scenery

* Also after the event, the collage photo are going to be sent out to participants who want it as a good memory. If you do not want to share your photo with screen or do not want us to send the collage with your photo on, please let us (Nihongo Space Staff) know. The collage and awarded photos will be displayed at hallway of West 1st bldg., Oookayama campus. Please let us know in the application form if you don't like us to use your photo for sharing or display in the campus.

※*Only 1 photo can be submitted by each presenter.

*Applications are accepted as first come - first served basis, however, if you want to apply first and later take time to prepare photo to submit, please let us know so that we will talk with you about it personally.

○Notification about photo taking and its submission

1. In the light of the spread of COVID-19 situation, refrain from going outside only for the photo shooting. Instead, please submit photo taken inside your house /close to you OR the one taken in the past by yourself.

2. Please be careful of the personal information and the privacy when you take photos, not to leak it out. When you want to submit photo with your family or friends on, please be sure to ask them confirmation on your side.
