

# Science Tokyo Nihongo Space Presents: Photo-Based Communication & Washi Village Field Trip

## Welcome to a Day of Multicultural Exchange Woven with Japanese Washi and Photography!

Join us for a unique experience of connecting with others from a fresh perspective while exploring Japan's traditional culture. This event, held at the 'Washi no Sato' in Higashi-Chichibu Village, Saitama Prefecture, offers a chance to enjoy multicultural exchange through a washi papermaking experience with over a thousand years of history and a photo-based communication workshop.
