1. Access the “JLPT” site

The screenshot shows the JLPT website interface. At the top, there is a navigation bar with links for "点字ファイルダウンロードはこちら", "日本語", "简体中文", and "繁體中文". Below this is a menu with "HOME", "Font Size" (S, M, L), "ENHANCED BY Google", and a search box. A main menu contains links for "What is the Japanese-Language Proficiency Test?", "Testing and Results Notification", "Test Registration Process", "Sample Questions", "Books and References", "Certificate Issuance", "Statistics", and "FAQ". The "Sample Questions" link is highlighted in red. Below the menu, a breadcrumb trail reads "Home > Sample Questions > Japanese-Language Proficiency Test Official Practice Workbook". The main content area features a large red speech bubble icon and the title "Japanese-Language Proficiency Test Official Practice Workbook". Text below the title states: "Since the 2010 revision of the test, the Japanese-Language Proficiency Test Official Practice Workbooks have been released in 2 volumes." It further explains that the Official Practice Workbook published in 2012 and the Official Practice Workbook Vol.2 released in 2018 each contain almost the same number of questions as an actual test. A note mentions that the 2012 and Vol. 2 workbooks are sold by Bonjinsha. At the bottom, two buttons are visible: "JLPT Official Practice Workbook Vol. 2 (published 2018)" in orange and "JLPT Official Practice Workbook (published 2012)" in blue. A "Test Dates" section lists the first test on Sunday, July 4, 2021, and the second test on Sunday, December 5, 2021. A footer note states: "*Outside Japan, the test may be".
